"We have been extremely pleased with the turnout and interest in the BRAC Town Hall meetings we've held thus far and are looking forward to the fourth one in Havre de Grace," remarked County Executive David R. A panel of officials and experts from several county agencies and departments will participate in the forum. Those scheduled to attend include the Office of the County Executive, Office of Economic Development, Harford County Sheriff's Office, Harford County Public Schools, Harford Community College, Aberdeen Proving Ground and the City of Havre de Grace to mention a few.

BRAC Town Hall meetings are part of County Executive Craig's "Open Government" initiative, sharing information with citizens and those interested in BRAC and the potential impact to Harford County. Following the public forum, the Town Meeting can be viewed on the Harford County Government website.
